EUROPEAN RESEARCHERS' NIGHT: exploring science, having fun!

The European Commission will mark this year's European Researchers Night 2015 with a gala event at Bedestan Nicosia on Tuesday 29 September from 19.30 – 21.30 where local researchers will share their latest research projects and highlight how science can make a difference to our daily lives.

This year is the 10 year anniversary of European Researchers Night which is celebrated in over 300 cities in 24 European cities. The gala event at Bedestan organised by the EU Infopoint, is a first time opportunity for researchers from the Turkish Cypriot community to showcase their work in science and innovation.

A number of local researchers will present their work and provide demonstrations. The event will finish with a cocktail reception.

Background:

European Researchers' Nights are events dedicated to popular science and fun learning. They are an opportunity to meet researchers, talk to them, and to find out what they really do for society, in interactive and engaging ways. This can be through hands-on experiments, science shows, learning activities for children, guided visits of research labs, science quizzes and more.

Participation in the event is free however registration is necessary.

Interested individuals can get more information on these events on the EU Infopoint Facebook page [f/abbilgi](https://www.facebook.com/abbilgi) or by contacting the EU Infopoint: info@abbilgi.eu, 228 2577 and 11A Hasene Ilgaz Sokak, Köşklüçiftlik Nicosia.

Media contact: Selen Mesutoglu Altan, selen.altan@abbilgi.eu or 0533 840 8583

EU Infopoint is funded by the European Union
